RISK WARNING: Trading Foreign Exchange and Contracts of Differences (CFDs) is highly speculative and may not be suitable for all investors. GBE Brokers offers trading on margin. The leverage created by trading on margin can work against you as well as for you. You may lose some or all of your invested capital, therefore you should not speculate with capital you cannot afford to lose. Please ensure you understand the risks involved and take into account your level of experience. Seek independence advice if necessary.
