Cookie Policy Contents

Providing you with the best possible user experience!

Our cookies are baked to perfection, ensuring you get the best browsing experience on GBEbrokers.com! We use cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and allows us to improve our site.

By continuing to browse the site, you are agreeing to our use of cookies. A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive.

What types of cookies does GBE brokers use?

Strictly necessary cookies

These are cookies that are required for the operation of our website. They include, for example, cookies that enable you to log into secure areas of our website.

Analytical or Performance cookies

They allow us to recognize and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.

Functional cookies

These are used to recognize you when you return to our website. This enables us to personalise our content for you, greet you by name and remember your preferences (for example, your choice of language or region).

Targeting cookies

These cookies record your visit to our website, the pages you have visited and the links you have followed. We will use this information to make our website more relevant to your interests.

What are first- and third-party cookies?

A "first-party cookie" is a cookie which domain attribute matches the domain that is shown in the web browser's address bar. In this case GBE brokers cookies are first party cookies. On another hand, a "third-party cookie" belongs to a domain different from the one shown in the address bar.

We may use third party services such as Google Analytics cookies to track anonymous usage statistics but we do not collect any personal information that can be used to identify you. This data helps us analyse web page usage and improve our website to tailor it to our audience needs.

Services such as Google Analytics stores information about what pages you visit, how long you are on the site, how you got there and what you clicked on. These are cookies served by a third-party service provider and are usually used to identify your computer when it visits another website, for example, when you log in to a social media site to share an article.

How can I block first-party cookies?

You block first party cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our site.

How can I block third-party cookies?

You block third party cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our site.
